ELEMENTARY STUDENT BUS STOP INDEX INSTRUCTIONS

1. Locate and open your elementary zone A.M. bus stop file.
2. Locate the closest stop to your home.
3. Note the time for the A.M. pick-up. Please have your student arrive no less than 5 minutes early to the bus stop.
4. Locate and open your elementary zone P.M. bus stop file.
5. Locate the closest stop to your home. **Our stops are not the exact same in the morning and the afternoon!!!** Please ensure that your student understands what bus they are to get on after school.
6. Provide your student with their complete take home information (bus route number and stop address/description).

Please note that a bus pass is only necessary if your student is riding a different bus than their usual take-home bus, or they are brand new to the district.

Disclaimer – please note that all times are approximate and are subject to change based on student population, construction, safety as well as State and Federal Law. This list is as inclusive as possible, any changes will be updated within a reasonable amount of time.
