BLACKFOOT HERITAGE SIXTH GRADE P.M. SHUTTLE INFORMATION

Due to load capacity, some shuttles make stops before they go into their elementary schools. If there are stops associated with the shuttle, they are listed below their route. Please have your student utilize these stops if they are close to your home.

If your student walks, they need to let the driver know on their first day, so they can disembark once they get to their home elementary zone. Due to vandalism and liability issues, Sixth grade students are held on the shuttle buses until the elementary school releases. If your student doesn't notify the driver that they are a walker, they will have to wait on their bus. Any student that disembarks the shuttle bus and then attempts to get back on may be denied service, per District Policy.
